

SIGNATURE WINE CLUB – SPRING 2026

2020 KEENAN CAPSTONE RED BLEND SPRING MOUNTAIN, NAPA VALLEY

GRAPE VARIETY

65% Cabernet Sauvignon, 35% Merlot

WINEMAKER

The wine is produced by Robert Keenan Winery, a family-owned estate founded in 1977 by Robert Keenan. The winery focuses on mountain-grown Cabernet Sauvignon, Merlot, and Chardonnay from estate vineyards high in the Mayacamas Mountains.

VINEYARD

Estate vineyards sit around 1,700 feet elevation on Spring Mountain, where volcanic and rocky soils, cooler mountain temperatures, and excellent drainage produce structured, age-worthy wines with concentrated fruit and firm tannins.

WINEMAKING

Capstone is a 100% estate bottling that showcases the best vineyard blocks from the property. The wine is made in a traditional Bordeaux style designed for long aging and balanced structure. Production is about 3,500 cases annually.

TASTING NOTES

Aromas of blackberry, plum, violet, and sandalwood lead to a medium-to-full-bodied palate with dark fruit, subtle mint, and creamy tannins, finishing long and balanced. 93-point rating and average retail price \$95!
