

SIGNATURE WINE CLUB – SPRING 2026

2023 MARTIS CABERNET SAUVIGNON ALEXANDER VALLEY, SONOMA

GRAPE VARIETY

86% Cab, 9% Petite Sirah, 5% Zinfandel

WINEMAKER

The wine is crafted by Jenn Barak, a Sonoma-based winemaker with extensive experience working across California and Europe. Her approach focuses on highlighting Sonoma's vineyard character while crafting balanced, expressive Cabernet Sauvignon.

VINEYARD

Fruit is sourced largely from vineyards in Alexander Valley, including sites such as Barrelli Creek Vineyard, known for warm daytime temperatures balanced by cooling fog from the Russian River. Gravelly soils and iron-rich clay help produce concentrated Cabernet with ripe fruit and structure.

WINEMAKING

Only select vineyard blocks showing the most depth and complexity are used for the final blend. The wine is aged in American oak, adding subtle spice and texture while preserving the fruit-driven character of Alexander Valley.

TASTING NOTES

Aromas of cassis, blackberry, and black cherry are layered with notes of cedar, cocoa, and baking spice. The palate is generous and plush with dark fruit, hints of espresso and vanilla, and well-integrated tannins leading to a smooth, savory finish. Retail price \$50.
