

PREMIER WINE CLUB – SPRING 2026

2022 PATRIA CABERNET SAUVIGNON OAKVILLE RANCH, NAPA VALLEY

GRAPE VARIETY

100% Cabernet Sauvignon, primarily from Clone 7, known for producing balanced Napa Cabernet with expressive fruit and refined tannins.

WINEMAKER

Patria Wines is led by winemaker Tony Biagi, who previously worked at several respected Napa estates including PlumpJack Estate Winery, CADE Estate Winery, and Hourglass Estate. His approach emphasizes site expression, balance, and age-worthy structure.

VINEYARD

Fruit comes from Oakville Ranch Vineyard, a high-elevation hillside site in Oakville on Napa Valley's eastern slopes. Rocky soils and elevation produce Cabernet with concentrated fruit, mineral character, and firm structure.

WINEMAKING

This wine is produced in very limited quantities (around 200 cases). Careful vineyard selection and aging in French oak help preserve the vineyard's character while adding subtle spice and texture.

TASTING PROFILE

Aromas of black cherry, red currant, cocoa, and floral notes lead to a rich palate of dark berries, baking spice, and mineral tones. The wine is full-bodied with polished tannins and a long, structured finish. 94-points Jeb Dunnuck. Average retail pricing is \$120-\$150.
