VINEYARD

Unlimited Devotion is sourced from Yankowski Vineyard in Paso Robles' renowned Willow Creek District. Limestone-rich soils, warm days, and cooling coastal influences produce fruit with exceptional concentration, natural acidity, and complexity. Extremely low vineyard yields contribute to the wine's remarkable depth and character.

WINEMAKING

Crafted in very limited quantities, Unlimited Devotion is produced exclusively for Cairjn's wine club and is not available to the general public. The blend is aged in French oak to enhance texture and complexity while preserving the vineyard's distinctive personality. Only 50 cases made!

TASTING NOTES

Aromas of violet, wild raspberry, pomegranate, and earth-kissed spice are layered with hints of forest floor, cracked pepper, and dried herbs. The palate unfolds with flavors of cranberry, dark cherry, anise, and crushed slate, supported by a plush, beautifully textured mid-palate. Fresh acidity and refined structure create remarkable balance, leading to a long, fragrant finish that captures both power and grace. 15-25 year aging potential.
