VINEYARD

Thacher Winery is known for crafting site-driven wines that express the rugged beauty of Paso Robles. Sourced from the limestone-rich soils of the Adelaida District, this blend showcases the concentration, freshness, and complexity that have made the region one of California's premier wine-growing areas.

WINEMAKING

Inspired by the great blends of Bordeaux, Original Copy combines traditional winemaking with a minimal-intervention philosophy. Careful vineyard selection, native fermentations, and thoughtful oak aging create a wine that balances structure and elegance while allowing the character of the fruit and vineyard to shine.

TASTING NOTES

Aromas of **violet, licorice, and ripe purple fruit** lead into flavors of **blackberry, plum, dark cherry, and baking spice**. The palate is rich and layered, supported by refined tannins and vibrant acidity. Subtle notes of dried herbs and cedar emerge on the long finish, creating a wine that is both approachable today and worthy of short-term cellaring.
