- **Retail Value:** \$150
- **Wine Experience Club Price:** \$100
- **Accolades:** Triple 95 Point Rating

VINEYARD

Sage Ridge Vineyard sits **1,500 feet above Lake Hennessey** on Napa Valley's rugged eastern frontier, due east of Pritchard Hill. Argot's warmest vineyard site is also persistently windswept, creating Cabernet with **impressive concentration, structure, and distinctive herbal and botanical complexity.**

WINEMAKING

Napa's intense September heat wave made timing crucial in 2022, and Argot harvested just as the fruit reached ideal ripeness. **Native yeast fermentation and 18 days on the skins** built complexity and structure, followed by an undisturbed élevage—the wine was **never racked** before bottling.

TASTING NOTES

A **powerful, expressive mountain Cabernet** with exuberant, high-toned fruit layered with distinctive **herbal, botanical, and savory notes.** The palate is concentrated and structured, balancing richness with freshness and complexity. Approachable now for its generous fruit and intensity, it also possesses the **depth, tannin, and structure for long-term cellaring.**
