

SIGNATURE WINE CLUB – FALL 2026

2021 VINROC “COYOTES HOWL” CABERNET

QUICK FACTS

- **Appellation:** Atlas Peak, Napa Valley
- **Variety:** 100% Cabernet Sauvignon
- **Retail Value:** \$65/Club Price: \$50

VINEYARD

High on the eastern slopes of Napa Valley, VinRoc's tiny estate vineyard sits at roughly **1,600 feet on Atlas Peak**. Steep terrain and rocky volcanic soils naturally limit yields, concentrating flavor, while **sunny days and cool mountain nights** help retain freshness and balance. This rugged site is the inspiration behind the name **“Coyotes Howl.”**

WINEMAKING

Cabernet from individual sections of the estate is hand-harvested, **fermented and aged separately before blending**. The wines spend about **two years in French oak followed by additional bottle aging**, with the goal of allowing the character of the rocky Atlas Peak vineyard—not the oak—to take center stage.

TASTING NOTES

A **beautifully balanced, mountain-grown Cabernet** offering aromas of **red cherry, dark raspberry, wild plum and strawberry**, accented by sweet baking spice and suede. The palate layers **raspberry, red cherry and currant** with savory notes of **dried sage and tobacco leaf**. Concentrated yet fresh, with integrated tannins and acidity, it captures the combination of **power, elegance and savory complexity** that makes high-elevation Atlas Peak Cabernet so distinctive.
